Vacation Bible Camp August 5 - August 9, 2019
Camp Hours 10:00am-2:00pm

Ages 5-14

Vacation Bible Camp is a wonderful opportunity for our Orthodox Youth to come together in order to enhance their understanding of our faith and have fun! This year's theme is "Traveling on the Ark of Salvation" and we will explore the life of the Theotokos through these four Feasts: The Nativity of the Theotokos, The Entrance of the Theotokos in the Temple, the Annunciation to the Theotokos and the Dormition of the Theotokos.

Our mission in camp is:

- To learn about our Orthodox Faith
- To study various Feasts and icons in our Church
- To learn Church Hymns related to the Feasts
- Scripture Memory
- To develop a deeper appreciation for our religion, bonds within our community and learn about our Greek heritage.
- To instill a love in the students for their Church, which will help sustain them through their lives.
- To help create a sense of stewardship among our students
- To create an environment where service and mission play an integral role in the students lives
