"National Philoptochos launched the Aid to Greece & Cyprus Campaign in January of 2012. To date, we (our National organization) have raised and disbursed more than \$577,000 from the Fund."

"Most recently, the National Philoptochos Society disbursed \$20,000 for aid in Greece and \$15,000 for aid in Cyprus. The funds were used to clothe 60 children in Moschato, Athens, 200 children in occupied Cyprus and 40 senior citizens in Karellio, as well as to provide monthly food packages for the very poorest families."

Philoptochos has made donations to the people of Greece and Cyprus from other funds, such as the National Philoptochos Emergency Fund, Autism Assistance Fund and General Medical Fund, as well as to International Orthodox Christian Charities (IOCC).
